

Jack & Joy Loveday
Baptist Missionaries to **SPAIN**

Aug. & Sept. 2024

Three camps in August. God blessed in the final 3 camps held at Mount Calvary Baptist Youth Camp.

Teen Camp - 100 campers - many decisions made by the teens.

Singles Camp - 96 campers - 1 saved (Joy had the privilege to lead a young lady to the Lord), and many decisions made by the single adults.

Family Camp - 92 campers - a great week teaching on the biblical foundation for the family.

As you prayed for the summer camp ministry, God blessed with a total of **477 campers and 27 professions of faith**. After each camp, the “decision” cards are sent to the pastors for good follow up, not just with the professions of faith, but in the decisions that were made about their personal walk with the Lord. Thank you so much for your faithful prayers for this important ministry where we serve.

Short furlough. At the end of August we travelled to the U.S. for a short 2 month furlough. We started out by getting **covid**, so our first week and a half was rough. At the beginning of our furlough, God allowed us to be with Eric and Amanda Shadle for a few days, and our grandkids, Kayla and Aaron for a few hours before we started reporting to our churches. Eric’s father, bro. Gary Shadle, passed away unexpectedly in August and we thank the Lord for his life and testimony through the years. Please keep the Shadle family in your prayers. Family is so important and we are so grateful for ours.

Sending church. Our first church to visit was our sending church, Twin City Baptist Church in Mishawaka, Indiana, (Pastor Caleb and Jenifer Foster). It always feels like coming home and although there were some dear folks missing who’ve gone on to be with the Lord, there were familiar faces and new faces too! Our visit there refreshed our hearts and we left encouraged to see the Lord’s work moving forward.

Many states, many churches, many miles and many prayer partners. So far we’ve traveled to Indiana, Missouri, Texas and Alabama. How special it has been to reconnect with pastors and their wives, and meet our faithful prayer partners.

Thank you for your prayers! In our absence, bro. Manolo and Schumayk Moyano are caring for the work and doing a wonderful job. They’ve had a ladies meeting and a men’s breakfast with good attendance. We would appreciate your prayers for continued safety in our travels. We have seen some of the devastation from the hurricane, and our hearts are so saddened for the loss of lives and homes in so many cities. God has been caring for us in our travels and we do not take that lightly. We are so grateful for your faithful prayers and support for us and the ministry God has called us to in Madrid.

In Him,

Jack and Joy Loveday
