Dear Pastor and church family,

Summer Camps at Mount Calvary Baptist Youth Camp.

During the month of June, we pull out all the stops as we begin the buying of the food, the cleaning of the campgrounds and the training of the counselors for the first 2 camps. We hosted 2 cleaning Saturdays where we had over 60 adults and teens in one and 70 in the other. That's a lot of hands and lots of work hours! What a blessing to see churches in the area step up to help carry the load in preparing the camp. Below you will see pictures of the 5 weeks of summer camps. Souls were saved, the Word was taught and preached with power, and Christians were challenged to get their lives right with God. We encourage you to check out the camp website to see pictures and videos of special music (in Spanish). www.mccbautista.com

THANK YOU SO MUCH FOR PRAYING FOR THE SUMMER CAMPS!

Joy's compression fracture. It was our good intention to send our bimonthly prayer letter in July, but while shopping at a Makro (kind of like a Sam's Club), Joy pushed a very large cart full of groceries for camp, and is now 5 weeks into the recovery of a compression fracture of D8. Her participation in the weeks of camp continued as a camper (she basically rested), while enjoying the care and love of the kitchen cooks as they cared for her. She has officially retired from shopping for camp, at least in the area of pushing carts!

September - back to school. In the month of September we will start the church activities back up again as the children and teens return to school. We are excited to see what God will do in the Fall months. We continue to have visitors, and recently have had a family of 3 (from a church in the southern part of Spain) visiting us as they look for a new church home after relocating for work in the Madrid area.

Grateful hearts. Even though our cup of physical "trials" seems to have been full the past few months, we know that in our trials, God is conforming us to the image of His son, Jesus Christ. Thank you so much for your prayers on our behalf, not just for physical strength to make it through the summer camps, but also for healing. Pray for the growth of the believers of the Iglesia Bautista Bíblica in Madrid as well as for the salvation of souls as we minister.

Serving Him,

Jack and Joy Loveday
