

Jack & Joy Loveday

Baptist Missionaries to SPAIN

Sept. & Oct. 2026

Dear Pastor and church family,

**Ladies meeting**
One of the blessings of September is restarting the ministries at church as children and teens return to school. The ladies class has begun a bible study called: "A woman of excellence" and we've already had good discussions and great attendance as well. In November, a visiting friend (Rocío) from a Baptist church in Mexico, will be challenging our ladies on the subject of being a godly mother.

**Two regional teen meetings**
In the first meeting held at the Iglesia Cristiana Bautista, (this is the church started by Jose, our preacher "son"), three pastors from Venezuela and Mexico challenged the more than 125 teens present through great preaching. Joy helped with the food preparation and I helped with the garbage detail. The young ladies we took told us that the preaching spoke to their hearts.

The second meeting (October) was held at the Iglesia Bautista in the city of Parla and there was an attendance of around 100 teens/singles. Pastor Flavius preached 2 sermons and challenged the teens to seek victory over addictions. Laura, a young lady that has begun to attend our services, went with us. Pray for her salvation and for the other unsaved teens who heard the Gospel story.

**Good news!**
Just starting November, Joy had another MRI on her compression fracture and the dr. told her she can take her Jewett brace OFF because her back has actually begun to heal! She is starting to drive short distances as she gets used to changing gears, (our van is not automatic). Because of her osteoporosis, the pain and complete healing may not happen till the end of December or January, but we are both so grateful to GOD for this answer to prayer. Your prayers and encouraging words have also blessed our hearts.

This month we will be ordering the Gospel calendars (300) that we will be handing out to friends and neighbors during the month of December. Pray with us that God will use His word and the Gospel invitation to bring souls to salvation.

**Special request:** Pastor Ángel's wife, Mari Mar, has been diagnosed with cancer and has undergone 2 surgeries since the month of September. Ángel is pastor of the church in Guadalajara and is also the camp director. They both would appreciate your prayers as they walk through this difficult trial.

Joy and I are truly THANKFUL for your prayers and financial support each month. Because you pray and give, we can continue to serve the Lord in Madrid.

Serving Him,

*Jack and Joy Loveday*
